The strength of Shamrock Rovers F.C. is built on the club's membership. The club members are the owners of Shamrock Rovers F.C. and it is the membership that defines the destiny of the club, as they have taken the club from the low point of examinership in 2005, to the high that was the opening of the new stadium in Tallaght in 2009 and the League Championship in 2010. With over 400 members at this stage, the club continues to need the continued support of the membership to drive forward on and off the pitch. Join now!
